

RECRUITMENT OF EX-OFFENDERS

INFORMATION FOR APPLICANTS

1. Teachers' Housing Association complies fully with the Code of Practice, in connection with the use of information provided to registered persons and other recipients of information by Disclosure under Part V of the Police Act 1997, for the purposes of assessing applicants' suitability for positions of trust. We undertake to treat all applicants for positions fairly and not to discriminate unfairly against the subject of a Disclosure on the basis of conviction or other information revealed.
2. This information is made available to all Disclosure applicants at the outset of the recruitment process.
3. We are committed to equality of opportunity, to following practices and to providing a service that is free from unfair and unlawful discrimination. We ensure that no applicant or member of staff is subject to less favourable treatment on the grounds of gender, marital status, colour, nationality, ethnic or national origins, age, sexual orientation, responsibilities for dependants, disability, or offending background, or is disadvantaged by any condition which cannot be shown to be relevant to performance.
4. Teachers' Housing Association actively promotes equality of opportunity for all with the right mix of talent, skills and potential, and welcomes applications from a wide range of candidates, including those with criminal records. The selection of candidates for interview will be based on skills, qualifications and experience.
5. We will request a Standard or Enhanced Disclosure only where this is considered proportionate and relevant to the particular position. Where a Disclosure is deemed necessary for a post or position, all application forms and any appropriate literature will contain a statement that a Disclosure will be requested in the event of the individual being offered the position.
6. Where a Disclosure is to form part of the recruitment process, the Association will encourage all applicants selected for interview to provide details of their criminal record at an early stage in the application process. We will ask that this information be sent under separate confidential cover to the Chief Executive and we guarantee that this information will only be seen by those who need to see it as part of the recruitment process.
7. In line with the Rehabilitation of Offenders Act 1974, the Association will only ask about convictions which are defined as "unspent" in terms of that Act, unless the nature of the position is such that we are entitled to ask questions about an individual's entire criminal record.
8. At interview, or under separate discussion, we undertake to ensure an open and measured discussion on the subject of any offences or other matters that might be considered relevant for the position concerned. Failure to reveal information that is directly relevant to the position sought could lead to withdrawal of an offer of employment.
9. We undertake to discuss any matter revealed in a Disclosure with the subject of that Disclosure before withdrawing a conditional offer of employment.
10. We undertake to make every subject of a Disclosure aware of the existence of the Code of Practice, and to make a copy available on request.

Having a criminal record will not necessarily debar you from working with Teachers' Housing Association. This will depend on the nature of the position, together with the circumstances and background of your offences.
