EQUAL OPPORTUNITIES IN EMPLOYMENT

POLICY

Teachers' Housing Association operates an equal opportunities policy to ensure that all jobs applicants receive equal treatment regardless of their race, colour, national origin, culture, sex or disability. To ensure that this policy is carried out, we monitor those who apply employment with us to ensure that employment is awarded on skills and experience, and that no applicant is considered less favourable than others. To help us to do this, we are inviting you to voluntarily provide information for monitoring and statistical purposes. It will be treated as confidential and separated from your job application. Should you not wish to provide this information, your application will still be given fair consideration.
