EQUAL OPPORTUNITIES IN HOUSING

POLICY

Teachers’ Housing Association operates an equal opportunities policy to ensure that all applicants receive equal treatment regardless of their race, colour, national origin, culture, sex, marital status or disability. To ensure that this policy is carried out, we monitor those who apply for housing to make sure that housing need is the basis of tenancy allocation and that no group of applicants is considered less favourably than others. To help us to do this, we are inviting you to voluntarily provide information for monitoring and statistical purposes. It will be treated as confidential and separated from your housing application. Should you not wish to provide this information, your application will still be given fair consideration. If more than one person is applying for accommodation, please complete this form for the household.
