EMPLOYMENT CRITERIA

(a) Areas of operation

Direct applicants for general needs housing must work within one of the six Boroughs in which the accommodation is situated namely, the London Boroughs of Bexley, Brent, Croydon, Haringey, Kingston upon Thames or Waltham Forest. In some circumstances applications may be accepted from applicants working in adjoining boroughs.

(b) Contracts of employment

Applicants may be employed full or part-time (minimum of 16 hours per week) on either permanent or temporary contracts. In the latter instance a minimum contract period of a year is required.

(c) Continuing employment

If accommodation is offered it should be noted that it will be only for such time as the applicant is employed in the field of education and in the above listed

Boroughs immediately or an adjoining Borough. **Should this employment cease alternative accommodation will need to be found by the tenant at the end of their tenancy.**

A copy of the Allocation Policy is available upon request.

THA has adopted an Equality and Diversity Strategy. At all stages in the application and allocation process we will ensure, by regular monitoring procedures, we comply with the principles of this strategy to ensure that all applicants receive equal treatment regardless of ethnic origin, sex or marital status. To help us do this we ask all applicants to complete an Ethnic Monitoring form.

How do I apply for housing with Teachers' Housing Association?

An application form is available at any of our schemes or from Head Office, or can be downloaded from our website – www.teachershousing.org.uk.

The form should be completed and returned to Head Office. You will then be advised in writing within ten working days whether or not you are eligible to go on the waiting list.

We do not have enough properties to be able to help all applicants who apply to THA.

If you are eligible:

- Your priority will be assessed using the Association's Points System. You will be placed on the waiting list for the area you have requested and the size of property you need. You will be advised of this in writing.
- When a suitable property becomes available, a representative of the Association may visit you at home to discuss your housing circumstances in greater detail and assess whether the vacant property is suitable for your needs.

If you are not eligible:

You will be advised of this in writing within ten working days and the reason for your ineligibility given. You have the right to appeal against this decision.

TENANCY

- All direct applicants who are offered a tenancy will hold an Assured Shorthold Tenancy which is renewable annually.

It should be noted that the Assured Shorthold Tenancy Agreement will not be renewed if the tenant is no longer employed in education in the borough or an adjoining borough or if the tenant is in breach of any other term of their tenancy.

- All nominated applicants will be offered a one year Starter Tenancy. An Assured Tenancy will be offered after one year if the tenant has conducted their tenancy satisfactorily.

RENTS

It is the Association's intention that rents are set which are affordable to those on low income.

In most areas a service charge is also payable to cover the cost of providing services at each scheme such as Caretaker services, lighting etc. These charges are reviewed annually.

The charges payable to the Association do not include Council Tax, water rates or electricity costs apart from in our hostel accommodation.
