All sheltered scheme residents should report maintenance issues via the Scheme Manager during working hours or via the Emergency Call System out of working hours.

For Clarification, we define emergency works as follows:

- Dangerous structures
- Gas Leaks
- Blocked/overflowing external drains
- Serious flooding or leaks
- Loss of water supply
- Complete failure of electricity supply
- Blocked WC (if there is only one WC)
- Total loss of space and water heating

Please note that if you call out an emergency contractor for non-urgent work you may be charged by Teachers' Housing Association.

We also ask that you report any emergency repairs, and details of any call-outs, to Teachers' Housing Head Office as soon as possible.
