If you do not qualify to apply with THA, you should contact the Housing Needs Team at your Local Authority for advice about alternative housing options.

Teachers' Housing Association Privacy Statement

In order to assess your housing application we need to collect personal information from you. The information will be treated as confidential. However, as part of the application process, we may share your information with other agencies and providers. This is explained fully on our website and on the Declaration page of this application form.

The information will be held for a minimum of two months, or for the time we hold your details on a waiting list or six years beyond the end of your tenancy if you are offered and accept a tenancy with us.

Under Data Protection Law you have a number of rights, these include: the right to access your personal data, the right of rectification (if there is a mistake in your data), the right to have your data deleted and the right to ask us not to process your data. (Each of these rights is explained more fully on our website www.teachershousing.org.uk/about-us/general-data-protection-regulations-gdpr/).

Our Data Protection Officer is our Finance Director whose email is DPO@teachershousing.org.uk
If you want to complain about how we have handled your data you can do so with the Information Commissioner, their website is <https://ico.org.uk/concerns/>

You can use this form to apply for Retirement Housing from THA. Information on where our properties are located can be found on our website <http://www.teachershousing.org.uk/properties/>

Guidance Notes 1 – please read these carefully before you complete this form:

To apply for our retirement housing you must be aged 60 and over (or 55 and over for the schemes in Stoke on Trent and Hull) and able to maintain an independent lifestyle. This means that you must be able to do most or all things for yourself. Our retirement housing is not able to cater for tenants with high support needs. If you indicate that you have high support needs, it is unlikely that we will be able to progress your application.

As part of the application process, your form will be reviewed and the Association may contact people you name on the form to verify information provided. It is important that the information you give to us is correct and failure to provide accurate information may result in your application being rejected. Any information supplied by you in connection with your tenancy application may be shared with other agencies to enable THA to carry out its core duties and responsibilities.

All the information you give us will be held with your application form. THA may share this information with housing associations or other social landlords who could rehouse you. We may also take references from private landlords and contact organisations you tell us about to properly assess your support needs and priority for housing. We may also use your personal information for the prevention or detection of fraud.

You have a right to see information kept on file about your application and to ask for any inaccurate information to be removed. A copy of our Housing Allocations Policy is available upon request by calling the Housing Management Team.

Please note that in some areas the number of applications for housing is greater than the number of properties that can be supplied. In these areas waiting lists are operated but you may need to wait on the list until such time as a property becomes available and you may need to seek alternative accommodation whilst you wait. An application for housing does not guarantee that an offer of accommodation will be made.

Eligibility / Exclusions

To apply for our retirement housing you must be aged 60 and over (or 55 and over for the schemes in Stoke on Trent and Hull) unless you fall into one or more of the groups listed below:

- You are subject to immigration control. If you do not have citizenship in an EU country or indefinite/exceptional leave to remain in the United Kingdom and are subject to a 'no recourse to public funds condition' or you do not have refugee status, exceptional leave or indefinite leave to remain in the UK you do not qualify to apply for social housing. If you are unsure, please provide us with a copy of your immigration status papers so we can assess your eligibility.
- You are under the required age limits.
- You are a homeowner or have financial interest in a property in the UK or abroad.
- You can apply if your household has savings or capital of over £100,000 or more but you may be awarded a low priority as you would be considered to have sufficient funds to secure alternative accommodation.
 - THA reserves the right not to accept applications from people whose tenancy has previously ended due to rent arrears or anti-social behaviour, such as noise nuisance, domestic violence, racial harassment, intimidation, drug dealing, any other social housing fraud offences or if you owe THA money (i.e. through rent arrears, re-charges etc.) If your application is refused because of unacceptable behaviour, you will be told in writing, and this will include the reasons for our decision and details of your right to request a review.

Guidance Notes 2 – please read these carefully before you complete this form:

- Please make sure that you provide us with all the relevant proof documents for you and your household as listed on the next page. Failure to provide all the documentation that we require will prevent us from registering your application.
- If you do not fill in the form properly, give us all the information we need or you do not sign the Declaration at the end of this form, we will return it to you and this will delay your application.
- Please complete the form in ink and as clearly as possible.
- Where a question is not applicable to you, please mark your form N/A.
- Please read the questions carefully and answer all the questions that apply to you.
- Once your application has been received and processed, we will contact you to confirm this by post or if you indicate you prefer email, we will email you. This letter will contain details of your awarded points and any other information that you will need. Please keep this information in a safe place.

It is your responsibility to keep us informed of any changes in your circumstances as this may affect your status on the waiting list, failure to do so may result in your application being closed. Changes of circumstance that you need to tell us about include: a change of address, changes to the people in your household, change of employment, income or assets etc. You should contact us if you have any queries about reporting a change of circumstances. If you withhold information in an attempt to secure accommodation you may be prosecuted, which could result in a large fine, imprisonment or other penalty.

If you do not speak English, or English is not your first language, or you do not understand anything on this form and in the Declaration, please contact a member of the Housing Management Team for assistance.

We will review your application annually and you will be required to confirm any changes to your circumstances. Failure to provide the information when requested may result in your application being removed from our waiting list.
